Creating beautiful living.

# Perfecting design through tailored solutions

Allegra Interiors is a Melbourne-based company specialising in the design, supply, and installation of custom window furnishings, textiles, wallpapers, and soft furnishings. We deliver tailored solutions that balance design, performance, and practicality across residential, commercial, hospitality, healthcare, and educational projects.

Our experienced team partners with architects, designers, builders, and project managers to achieve refined, functional results. Every project is managed with care, precision, and clear communication from concept to completion.

Combining technical expertise with design insight, we create solutions that enhance comfort, control light, improve energy efficiency, and meet compliance requirements. Our curated collections from trusted Australian and international suppliers offer a diverse range of styles, from timeless classics to contemporary designs that perform beautifully in any space.

# Our capabilities

We understand the demands of construction and design projects and act as a trusted extension of your team. From early planning to final delivery, Allegra provides seamless support to ensure every installation is functional, compliant, and visually cohesive.

Our process is built on clarity, communication, and reliability. We coordinate with site teams, align with project schedules, and deliver accurate specifications for smooth execution across residential, commercial, and multi-residential projects.

Our fabric ranges include fire-rated, antimicrobial, and environmentally conscious options that meet Australian building standards. We continue to refine our processes to reduce waste, source locally where possible, and prioritise long-lasting materials.

## Custom-made for every space

Every project is unique. Our team works closely with interior designers, architects, builders, and homeowners to create tailored window furnishings that meet both aesthetic and functional goals.

## Extensive collections and options

We offer a full range of curtains, blinds, shutters, and outdoor shading solutions. Each product is custom-made from premium materials to ensure style, performance, and durability in any setting.

## Curtains & tracks

Our made-to-measure curtains and track systems combine design flexibility with dependable function. Suitable for residential, commercial, and institutional spaces, they deliver lasting comfort, light control, and visual harmony.

## Premium sheer & blockout curtains

From soft sheers to tailored blockout drapes, our custom curtains bring texture, warmth, and refined style to any space. We offer fabrics that meet key standards for fire safety, hygiene, and durability, supported by partnerships with leading international suppliers.

Our team provides expert guidance and seamless installation for residential, commercial, and institutional projects.

With professional design guidance, seamless installation, and motorisation options, we make it effortless to achieve the perfect look for any home, hotel, or business.

# Custom blinds

Our custom blinds combine style, function, and value, offering precise control of light and privacy. Available in roller, Honeycomb, Roman, and Venetian styles, each is tailor-made for a perfect fit and crafted from quality materials to suit every budget and design.

## Roller blinds

Sleek, durable, and versatile, our custom roller blinds provide smooth operation and precise light control. Choose from blockout, translucent, or screen fabrics to suit privacy, glare, and design needs. Available in chain or motorised systems, they are ideal for residential, commercial, and institutional spaces.

## Bonded roller blinds

Our bonded roller blinds combine performance with design, using your chosen fabric laminated to a durable backing for a refined, cohesive look. Available in blockout, light-filtering, and sheer options, they create visual continuity across curtains, upholstery, and other soft furnishings in residential, commercial, and boutique spaces.

## Roman blinds

Our Roman blinds combine timeless design with modern functionality, offering texture, light control, and insulation. Choose from blockout, sheer, or soft-lined styles, with corded, chain, or motorised operation. Custom trims and detailing create a tailored finish for all interiors.

## Honeycomb blinds

Honeycomb blinds offer contemporary style and energy efficiency. Their cellular structure improves insulation and comfort while reducing energy use. Available in blockout, translucent, and sheer fabrics, including fire-rated options, they deliver a sleek, practical solution for homes, workplaces, and public spaces.

## Perfect fit blinds

Perfect Fit blinds are designed for tilt-and-turn and compact windows, offering seamless integration where traditional blinds don't fit. Available in honeycomb or roller styles, they move with the window for effortless light control, insulation, and privacy — all within a sleek, low-profile frame.

# Woven blinds

Timber woven blinds add natural warmth and texture to any room. Handcrafted from fine weaves and available in light-filtering or room-darkening options, they bring a relaxed yet refined aesthetic. Choose from a range of tones, trims, and finishes for a timeless, custom look that balances organic beauty with functionality.

## Venetian blinds

Elegant and versatile, Venetian blinds offer precise control over light and privacy. Available in timber, fauxwood, and waterproof finishes, they suit any space — from classic homes to contemporary offices. With adjustable slats, colour options, and motorisation available, they're a practical, enduring design staple.

# Shutters

Timeless and durable, our shutters combine craftsmanship with everyday practicality. Available in timber or PVC, they add structure, warmth, and effortless style while enhancing privacy and light control.

## Custom designed shutters

Built for Australian conditions, our custom shutters provide insulation, light control, and lasting style. Available in manual or automated operation, they combine function with refined design. Moisture-resistant PVC suits kitchens and high-humidity areas, while sustainably sourced timber offers natural warmth.

Choose from classic timber or low-maintenance composite finishes for a durable, elegant result in any setting.

## External solutions

Our outdoor shading systems, including roofing, awnings, eZip, and Zipscreen, combine design and performance for all environments. Ideal for homes, hospitality, institutional and commercial spaces, they provide lasting protection and a polished finish.

## Outdoor blinds, awnings & roofing

From traditional awnings to Zipscreen blinds and Folding Arm Awnings, we offer premium shading solutions tailored to your space.

For adaptable weather protection, our Retractable Roofing Systems provide the perfect alfresco experience, while Straight Drop and Wire Guide Blinds offer a minimal, contemporary touch.

Designed for Melbourne's climate and tailored to your home, we make outdoor living easy and elegant.

## Motorisation & smart home solutions

Our indoor and outdoor motorised window and shading solutions combine convenience, control, and quiet performance. Compatible with leading smart-home systems, they enhance comfort, energy efficiency, and ease of use across residential, commercial, and hospitality spaces.

# Smart living with smarter furnishings

Compatible with blinds and curtains, our motorised solutions allow effortless adjustment of light, privacy, and ambiance with a simple touch. Control window treatments via smartphone, remote, or home automation platforms, enabling remote access and scheduling for enhanced functionality and energy efficiency.

From basic motorisation to fully automated setups, our tailored solutions ensure ultimate comfort and effortless living, making everyday adjustments simpler, smarter, and more efficient.

Whether you're fitting out a luxury residence or a high-end commercial project, our solutions integrate easily with platforms like C-Bus and Somfy's Control4, allowing you to automate natural light and privacy with the touch of a button—or even no button at all.

# Wallpaper & upholstery

Transform interiors with texture, tone, and personality. Our curated wallpaper collections and upholstery services offer timeless designs and luxurious finishes.

# Seamless wallpaper solutions

Transform your space with designer wallpaper that adds depth, texture, and individuality to every interior. From bold statement prints and soft woven textures to panoramic murals, our collection offers endless design possibilities crafted from high-quality, durable materials.

Choose from breathable non-woven, natural grasscloth, moisture-resistant vinyl, classic printed, luxurious flocked, and elegant textile finishes — or create impact with large-scale murals that turn walls into works of art.

Available as supply-only or expertly installed, our wallpapers bring a refined, custom finish to any setting.

## Custom upholstery & reupholstery

From bed heads, sofas, cushions, lampshades, and ottomans to fully customised upholstered pieces, each design is tailored to complement any space.

A diverse selection of premium fabrics ensures the perfect match for any interior, from timeless elegance to contemporary sophistication.

Whether revitalising a cherished piece or crafting a brand-new custom design, expert craftsmanship guarantees high-quality results with lasting appeal. With pickup and delivery options available, the process is seamless and convenient.

Attention to detail and a commitment to excellence ensure that every upholstered piece delivers both comfort and refined style.

## Commercial capabilities

We deliver tailored window furnishing solutions for commercial developments, multi-residential projects, hospitality venues, healthcare environments, and educational facilities. Every project is managed with precision to ensure quality, compliance, and efficiency from design to installation.

## Trusted partners for commercial projects

With years of experience delivering premium custom-made furnishings, we are your trusted partner in bringing exceptional interior spaces to life—on time, on budget, and without compromise.

Our reputation for excellence is built on a foundation of trust, consistency, and an unwavering commitment to quality. Industry professionals choose Allegra Interiors because they know we deliver premium results with seamless project management, ensuring every detail aligns with their vision.

We act as an extension of your team, providing clear communication, expert advice, and efficient execution, so your project runs smoothly from concept to completion.
